teering landfords is to be opened Monwhen Attorney Harold G. Aron, . 50 Pine Street, Intends to invoke the power of the pourt of equity for his clients, occupants of the fashionable Gardens Apartments, at Forest Hills Gardens, L. I.

Mr. Aron announced to-day that he intends to file suit for an injunction against the owners of the property and Guyon L. C. Earle, to prevent them from ejecting tenants who refused to set demands for rental increases from 186 to 266 per cent.

"We are going into the 'court of conscience,' designed to relieve the harshness of a strict interpretation of an inequitable contract," Mr. Aron said. The Forest Hills case is said to be the first of the landlord and tenant cases in which such relief has been sought.

#### **URGES HOME LOANS** FREE OF U. S. TAXES

State Superintendent of Banks Declares Plan Could Solve Serious Housing Problem.

ALBANY, N. Y., March 12 - The use of the Land Bank of the State of New York to aid in the solution of the housing problem is suggested by State Superintendent of Banks Skinner in his annual report to the Legislature.

One of the chief drawbacks to the plan, however, is that the bank cannot furnish money at a reasonable rate for such a purpose because of the fact that nds of the institution are subject to Federal Income tax.

"If a way could be deviced by which n bonds of the Land Bank of the State New York could be exempted from deral taxation, there never has been

# RENT PROFITEER

HIGH RENT CAUSE Lockwood Bills to Go Through Tells Senate It Does Not Affect While Leaders Plan Further Action.

Limit Rent Increases and Check Evictions.

By Joseph S. Jordan. (Special Staff Correspondent of The

ALBANY, March 12.-Householders on the fact that they are not going Senate to-day by Senator Lodge: to be sky-highed out of their spartments on May 1 or Oct, 1 by boosts in

Spenker Sweet said to-day the ma stairs, said his ren. had been increased from \$1.920 to \$6.000 a year.

The "real estate department" of the United Clear Stores Company, said it was frequently necessary to take a whole building in order to get the particular shop it wanted for the installations of a new retail clear store.

Speaker Sweet and to-day the minimum of the life had not yet decided upon the nature of the bill which would be put through the Legislature, but added they were determined to put an effective curb on rent profiteers.

This is taken to mean that if there

is no agreement on other measures, at least the majority of Senator Lockwood's bills will be passed. These, as already told, are the result of the investigation of the Committee on New Court Relief From Landlords Housing, of which Senator Lockwood is the chairman.

There is only one recommendation of the committee which may not go A new avenue of relief from profi- through. That is the exemption from income tax of mortgage bonds up to measure must be met by a similar exemption from Federal tax and that is up to Congress.

It is admitted that this bill, which is approved by real estate men, would ancourage investment in mortgages and provide funds for new building operations. And building is the big

It is recognised that the Lockwood bills generally do not leave enough profit in building to appeal strongly to capital, but they curb the evils in the immediate situation. At least they will give the rent paying public a breathing spell. Their passage means the profiteering landlord will have to give the tenant a chance. There will e no more raising of rents beyond eason and no more wholesale evic-ions. The measures give wide disretion to municipal courts and if these fall the tenant can appeal to the higher court and continue to oc-cupy the premises until the case is

#### **BRONX MAY SEND** 1,000 RENT VICTIMS TO ALBANY HEARING

People Told Lockwood Committee Dodged Its Duty to Gouged Tenants.

That the Loukwood Committee which investigated the housing situation throughout the State bas not done its work and that the only way to accomplish relief is by sterming sponsor of a bill to limit landlords' profits to 10 per cent.

"The Lockwood Committee," said Judge Boyle and go up and fight for

Director of Revenue and Finance Gannon, who is lending the rent strike, did not oppose the single case lost, saying the tenant had been resised only from \$17 to \$19. The remaining ten cases will come up for hearing this afternoon.

Fastey to Ald Temants to Fight Rent Boosts.

At a meeting of the Lenox Hill Tenants' Association last night in the Lenox Hill Settlement House, No. \$11 East 69th Street, Miss Rosely Manning, director of the Settlement House, was selected to represent the Fenants' Association at Albany in the Senator Abeles was referring to a proposal made earlier in the evening by former Municipal Court Justice John Boyle that victimized tenants appoint representatives and that the Bronx charter a special train to take at least 1,000 protesting rent payers to Albany for the hearings on March 23. Judge Boyle is the author of Senator Abeles wills, outlined in The Evening World of yesterday.

The bill, besides other provisions outlined, also provides for effective handling of the present rent scales by laying a tax of forty per cent. In the evening the second provision of the principal apeakers was allowed. The scale increases gradually until a tax of 100 per cent. Is levied upon incomes where rent returns a sum of \$5,000 or more six on the first of the principal apeakers was allowed. The scale increases gradually until a tax of 100 per cent. Is levied upon incomes where rent returns a sum of \$5,000 or more six of \$5,000

## FOE PROPAGANDA

fending Own Coast and Prevented Aid to Allies.

WASHINGTON, March 12 .full co-operation with the Allies, Jan. 5. Sims told the committee.

Although he repeatedly assured the Department that it would be inormed in advance of enemy submarconst, naval authorities at Washingforces at home, Sims said.

erted that of the German submarines which did setually reach the American side, he advised the Navy Department three to four weeks in

"It was, of course, in the German interest to create the impression that they were about to undertake submarine attacks upon the American coast, and it is to be noted that such rumous were constantly circulated by German agents in Europe and America to influence the Navy Department to retain craft on the American side," Sims said.

"This enemy policy was sound and the fact that such propaganda was not without effect upon the Navy Department was illustrated by the fact that I received numerous cables mentioning these reports of probable suffimarine activities on the Atlantic

Sims said he cabled back that no such campaigns were likely, but despite this advice the Navy Department held to its plan of protecting the American coast, Sims said.

Disregard by the Navy Depart ment of his recommendations with regard to adoption of the convoy system was described by Sims as "infinitely more serious" in its brazing on the war than other cases of alleged inefficiency.

Admiral Sims said that early in 1917 the Allies were compelled by the submarines to adopt the convoy plan for protecting shipping, and that on May 1 he "urgently recommended" that the United States give its cooperation, but it was not until SAYS HE STOLE HER STUDIO. June 20 that Secretary Daniels rehaving armed guards were safer when sailing independently.

The Admiral said he again urged the immediate adoption of the convoy chwab in Washington Heights Court system and stated his belief that that when she was atricken by influence arming merchantmen did not offer n Jan 16 she asked Renis La Metre sufficient sufeguard against sub-No. 157 West 130th Street to take marine attack. On July 1 he received a cable outlining an entirely neof protecting merchant ships, formulated in the Department, which he said was widely at variance with the British and French systems and which he cabled the Department
